

AUGUST 23-27, 2023

Hello! I am Alison Acker, your 2023 Waupaca County Fairest of the Fair. I have some amazing memories of the Fair as my many years as a 4-H member and fair exhibitor. My participation in creating many projects for the Fair helped me explore my passion for art, and eventually developed into a career as a Graphic Designer. I am most excited as Fairest to represent and witness the diverse talents of

Waupaca County exhibitors and to experience the excellent events and concerts that the 150th Waupaca County Fair will offer! As Fairest, I will be at the Fair each day, and I am so excited to meet the community that loves Waupaca County as much as I do. Plan to join me in Weyauwega, August 23rd to 27th. It's going to be FAIR-tastic!
